President's Message

Folks, I hope you have been staying dry. All of this rain has to stop sometime. As I write this, it is just a few days before our shoot/picnic (Aug 4th) at the Log Cabin Shop. I hope you made it and had fun shooting, eating, and socializing. Don't forget the Sept. 28th Newark show. Thanks to Jim Claggett and Mark Herman this show gets bigger and better every year. You will find more info elsewhere in this newsletter.

Every five years we print a members directory. We will be contacting you with a form to update your contact info so that everyone can communicate better. Your board has been watching the Marietta show and we have noticed a steady decline in the amount of people (members and non) coming thru the doors on Sunday. We have also had many exhibitors tell us that they don't want to be there on Sunday. Other shows such as the Kentucky Rifle Association and the Contemporary Longrifle Association hold their shows on a Fri.-Sat. schedule. And, several years ago, because

of a scheduling conflict, we also had a Fri.-Sat. show.

Sooo, we have decided to give it a try. Here's the plan. The room will be open on Friday the 3rd at 8 am until 12 noon for set-up. Now don't fret if you can't get there in that time frame, your table(s) will still be there for you any time Friday. But be aware that we will open the doors to the public at 12 noon as we have noticed in the past that the Lafayette lobby is pretty busy on Friday. We will close to the public at 5pm. The rest of Friday will stay the same, with buffet, birthday cake and another silent auction. Saturday will be the same as always: 9am to 5pm display. 6pm to 7pm-happy hour, and the banquet starts at 7pm. The only thing that changes for Saturday is that we will need to remove our displays before midnight. Remember, we did it before several years ago. If you have any questions, contact any member of the board as we want to make this transition as smooth as possible for all.

Sincerely, Tom Oakes
